Travel to Cuba Banned by U. S. Government

WASHINGTON (AP)—The United States today banned travel by Americans to Cuba because this country can no longer provide protection to Americans there.

The travel embargo takes effect in about 48 hours.

An exception is provided for persons whose travel to Cuba is regarded by the State Department as "being in the best interests of the United States."

This includes newsmen and businessmen with previously established interests in Cuba.

A similar off-limits ban now applies to four Communist countries with whom the United States has no diplomatic relations.

Those countries are Red China, Albania, North Korea and North Viet Nam.

By ROBERT BERRELLEZ

HAVANA (AP)—Between 10,000 and 15,000 militiamen, unleashed by Prime Minister Fidel Castro in a major offensive, have surrounded growing rebel bands operating in the rugged Escambray Mountains south central Cuba, according to reliable reports.

It could not be determined if the offensive was part of a nationwide drive to fulfill Castro's pledge to wipe out all rebel activity in Cuba this year, or merely a one-shot attack to clean up an area troublesome to Castro since he took power.

One of the hundreds of civilians evacuated from the mountains in Las Villas Province said the militiamen were shelling an area where the rebels were believed concentrated and would move in after the mortar and the artillery bombardment.

It was unofficially reported that 70 to 90 persons were seized in Cienfuegos on charges of links with rebel activity. Hundreds of peasants in the area were reportedly evacuated.

In Havana, the Castro regime continued a crackdown on accused counter-revolutionaries.

Thirty-three men, one of them a North American, were sentenced to prison terms of 9 to 30 years on charges they were involved in various plots against the government.

The North American, identified only as Robert John Gentile, was sentenced to 30 years on charges he plotted to kidnap Cuban President Osvaldo Dorticos.

Two American newsmen were arrested and held six hours Sunday. They were Richard Valeriani of The Associated Press and James Wallace of The Wall Street Journal.

Authorities at first told Valeriani and Wallace they would be expelled but later said they could remain in Cuba.

27 Missing as Tower Falls, Disappears

NEW YORK (AP)—Cryptic underwater sounds hinted today there may be survivors trapped beneath the sea in compartments of a storm-wrecked Air Force radar tower.

NEW YORK (AP)—The body of a man in a life jacket was plucked from the sea today, presumably one of 28 men missing after an Air Force radar tower collapsed in a storm.

Wreckage also was found near the site of the six-story structure, built on pilings in the ocean 80 miles southeast of New York City. It went under in a howling gale Sunday night.

As rescue ships combed the area, the Coast Guard reported one body was found floating amid debris by the U.S. destroyer Norris. The destroyer Berry also reported finding parts of a 15-foot service boat.

A mattress, a life preserver, and an oil slick also left poignant signs of the tragedy.

The tower — of a type called Texas Towers because they were copied from offshore oil rigs in the Gulf of Mexico — was part of the Air Force warning system.

A sort of "radar island," it was triangular in shape, 67 feet tall and 187 feet long on each of the three sides. Three huge domes laden with electronic equipment rose from the top.

The tower, damaged in last September's hurricane, Donna, had been under repair when hit by Sunday night's raging winds and high seas. It was situated 66 miles east of Barnegat light, N.J.

The first hint that the 14 Air Force men and 13 civilian workers were in trouble aboard the structure—called a Texas Tower—came at 7:15 p.m. when a Navy ship picked up a distress signal.

The vessel, the "Talk-17," a Navy ship that supplied the tower, was only 12 miles away when it received the "May Day" or SOS.

For 10 suspenseful minutes, the ship—fighting high winds and 35-foot waves—maintained radar and radio contact with the doomed tower. Suddenly, the tower's radar image disappeared.

There were two life boats at the tower and searchers hope survivors were able to escape.

The aircraft carrier Wasp, accompanied by two destroyers, was about 80 miles from the scene. The big flat-top took charge of rescue attempts as Coast Guard cutters and other ships joined the search.

Officer and Husband Shoot It Out

HOT SPRINGS, Ark. (AP)—A Hot Springs patrolman and an indignant husband shot it out Saturday night and both were wounded.

The policeman later was dismissed from the Police Department.

Police Chief Milford Sanders said patrolman Jack Digby, 29, and Everett Barentine, 28, shot each other in the presence of Barentine's wife, Polly, in a parking area on Cedar Mountain, near Hot Springs.

Digby, shot in the face, was not thought to be seriously hurt, but Barentine was in critical condition with bullet wounds in his stomach and chest.

Sanders said Barentine surprised Digby and Mrs. Barentine in Digby's car, and both men emptied their pistols in the ensuing gunfight.

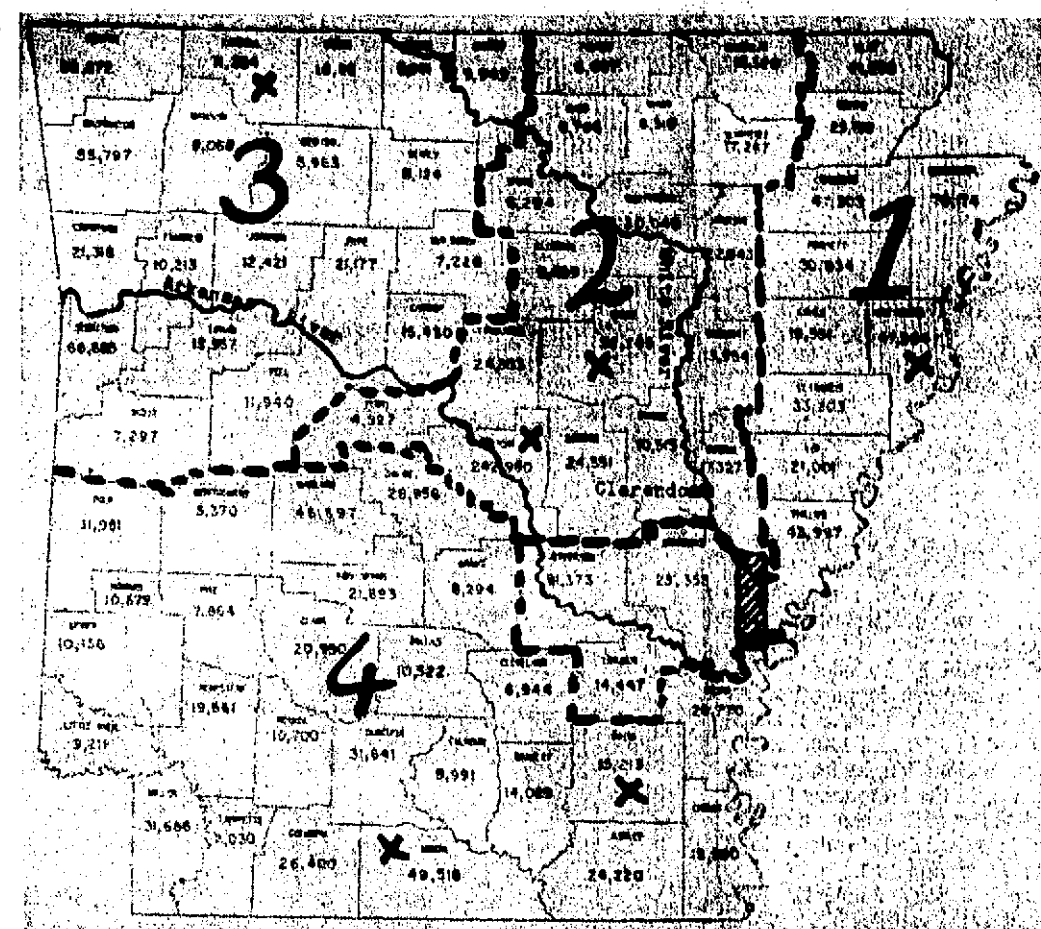

The woman was not hurt.

Mayor Dan Wolf said Sunday that Digby had been discharged pending approval of the Civil Service Commission.

Sanders said no charges had been filed pending the outcome of an investigation.

The Barentines are the parents of three small children. Digby is married and the father of two, Sanders said. Digby has been on the police force since 1952.

The Mays Redistricting Plan

THIS PLAN, BROUGHT OUT BY REPRESENTATIVE Raymond Mays of Cleveland County, has been approved in the Senate and has enough pledges in the house for approval. Its chief opponents are United States Representative W. F. Norrell, who lives in Drew County and would be thrown into the new Fourth District with Oren Harris, in Union County, and the residents of Jefferson, Arkansas and Lincoln Counties. This plan places those counties in the new

First District. They want to stay in the Southeast Arkansas, or Fourth District. They say that the White River National Wildlife Refuge (shown by area of slanting lines) effectively cut them off from the rest of the new First District. Below Clarendon on the White River, there is only one ferry, one railroad bridge and no auto bridges. The home counties of the incumbent congressmen are marked with an X.

Several Local Accidents Reported

There were a series of auto accidents in this area over the weekend, most of them resulting in minor damage.

Officers are seeking a hit and run driver in a two-car collision on Third Street. Officers Willis and Moses said an auto driven by Clifford Hargrove of California collided with another unidentified vehicle which failed to stop Sunday.

Sunday on Laurel Street cars driven by Jack Cannon and John Ellis collided with minor damage resulting, officers Moses and Willis reported.

Near Emmet Saturday night autos driven by Willie Cheatham of Emmet and W. Lee Monk of Prescott collided on Highway 67 with heavy damage resulting, reported Officers Ward and Pankey.

Saturday night cars driven by Mrs. C. B. Garrett and Stanley Latin collided with minor damage to both, Officers Willis and Clark reported.

Also Saturday Press Walker was charged with running a stop sign following a collision in which Lonnie McInosh's auto was heavily damaged. Officers Moses and Ward investigated.

On Candy and Walnut Streets, cars driven by Jimmy Bruce and Jackie White collided with light damage to both cars.

Friday at Main and 6th cars driven by Mattie Wilson and R. D. Taylor collided with heavy damage to both vehicles; also off Friday on North Graham autos driven by Ansley Gilbert and Luke Montgomery collided and Gilbert's car was badly damaged, at Hazel and 2nd Friday, cars driven by J. S. McDowell and Bill Spearman collided with light damage. Officers Rowe and Ward charged McDowell with failure to yield the right of way.

Kennedy's Advisers Don't Agree

By STERLING F. GREEN

WASHINGTON (AP)—President Eisenhower's forecast of budget surpluses this year and next are disputed by President-elect John F. Kennedy's advisers. Kennedy's economic task force has predicted that, because of the business recession, the government is likely to dip into red ink in this fiscal year which ends June 30.

Eisenhower's budget message sent to Congress today estimates a surplus of \$79 million for fiscal 1961, followed by a \$1.5 billion surplus in fiscal 1962.

Eisenhower acknowledged the shakiness of the predicted 1961 surplus. It will be wiped out, he said, unless postal rates are increased "not later than April 1, 1961." Congress is not expected to act on postal rates soon, if at all this year.

As for fiscal 1962, the President said his forecasts "reflect expected gains in the national economy," providing improved tax revenues from rising incomes and corporate earnings.

Redistrict Plan Before Legislature

LITTLE ROCK (AP)—The Arkansas Legislature, bound by law to meet as scheduled at 2 p.m. today, will adjourn in minutes so lawmakers can attend the funeral of Secretary of State C. G. (Crip) Hall, who died Saturday.

Speaker of the House John P. Bell said Sunday the house would meet but that he was sure it would adjourn for the services and resume work Tuesday morning.

The Senate was expected to do the same.

Legislators are honorary pallbearers for the funeral, which is scheduled at 3 p.m. in Little Rock's Second Presbyterian Church.

Delayed until Tuesday will be any new action on the controversial congressional redistricting plan of Cleveland Rep. Raymond Mays, which passed the Senate last week and is scheduled to come before the House this week.

The Mays plan would split the state into four almost equal districts for representation in Congress. Arkansas will lose two of its six congressmen in 1962 due to a population loss.

A public hearing for the measure is scheduled for Tuesday evening.

Mays is expected to call for a vote in the House Wednesday.

Two conflicts have developed over the plan. Lincoln, Jefferson and Arkansas counties have said they want in the southern or Fourth District instead of the northeastern or First District, as they are charted in the plan.

And U.S. Rep. W. F. Norrell of

Ike's \$80.9 Billion Budget Calls for a \$1.5 Billion Surplus

\$2.5 Million for Millwood in Budget

WASHINGTON (AP)—Appropriations totaling \$60,771,900 for water projects in Oklahoma and \$52,283,000 for similar projects in Arkansas, for use in the year starting July 1, were recommended today by President Eisenhower.

A new feature for this region would go for continued construction of projects in the Arkansas River basin in the two states.

The largest single item proposed for the two states was \$28 million for continuing work on the Eufaula, Okla., multiple purpose dam and reservoir, one of the key projects for flood control and navigation in the Arkansas basin.

Also recommended was \$27.5 million for continuing construction of the Keystone dam flood control project in eastern Oklahoma.

For work on the bank stabilization and navigation project on the Arkansas river and its tributaries in Arkansas and Oklahoma, \$12 million was proposed.

A total of \$9 million was asked for Dardanelle lock and dam on the main stem of the Arkansas river in Arkansas.

For construction work on the Broken Bow reservoir in Oklahoma, the president budgeted \$1 million.

Among Arkansas projects, \$12.5 million was proposed for the Greers Ferry reservoir multiple purpose project on the Little Red River.

Other Arkansas-related recommendations include:

Construction: Beaver Reservoir \$5,500,000; Bull Shoals reservoir, power units 5-B \$2,500,000; Millwood \$2,500,000; Red River levees below Denison, \$300,000.

Planning: Degray reservoir \$399,000; Gilliam reservoir \$230,000; Ouachita River 9-foot channel

Faubus in Defense of ESD Workers

LITTLE ROCK (AP)—Gov. Orval E. Faubus has identified and come to the defense of five Employment Security Division employees charged with violating the federal Hatch Act.

Faubus revealed the names of the men Saturday night and said he did not think they were guilty of coercing other ESD employees to contribute to the Faubus campaign fund in last summer's Democratic primary.

The governor said he knew only two of the men and that the only charges he saw against the five in federal information he received were those of seeking contributions.

The Hatch Act forbids government employees or employees paid by government funds from participating in political activities or coercing other employees to contribute to political campaigns.

Faubus identified the men as Luke Arnold, ESD attorney; John Caras, district supervisor; Charles F. Wood, assistant manager of the Little Rock office; William Watkins, supervisor of employer audits, and Robert O. Rainwater, business manager. All are from Little Rock or North Little Rock.

Atty. Gen. Frank Holt disclosed last week that the five had been charged by the U. S. Civil Service Commission but he would not reveal their names.

Former Atty. Gen. Bruce Bennett, one of four men who ran against Faubus in the Democratic primary, asked for a Civil Service Commission investigation of his charges that ESD employees were being "shaken down" for contributions to the Faubus fund.

The employees have 15 days to reply to the charges. The only penalty under the law is discharge of the employees if they are found guilty.

Ike's Final Budget to Capitol Hill

BY FRANK CORMIER

WASHINGTON (AP)—President Eisenhower's final fiscal blueprint for the nation goes to Capitol Hill today.

The bulky White House document will predict a surplus of about 1.5 billion for the 1962 fiscal year which begins next July 1. Eisenhower calls for spending \$80.9 billion and estimates revenues at \$82.3 billion.

What's more, the budget will forecast an almost immediate end to the business slump and a gradual recovery during the coming months.

For the current year, Eisenhower will tell Congress that a slim surplus still is in prospect, despite a sharp revenue drop occasioned by the business situation. A year ago the President foresaw a \$4.2 billion surplus this year.

The President's message was to be read to the House at noon EST by a clerk; the Senate is in recess today.

The new budget will reflect the policies Eisenhower would want to pursue were he remaining in office. It was understood that at least two major legislative requests would be included:

1. An increase in postal rates, an item which Congress short-circuited in 1959 and 1960.

2. A continuation, and a possible increase, in the temporary federal gasoline tax of four cents a gallon. This is scheduled to drop to 3 cents after June 30.

President-elect John F. Kennedy, who takes office Friday, will not give Congress a complete budget of his own. Instead, he will suggest changes in the Eisenhower plan on a piecemeal basis.

Government Accused in Race Fuss

WASHINGTON (AP)—The Civil Rights Commission says "the federal government has been a silent partner in the creation and perpetuation of separate colleges for Negroes."

The commission Sunday proposed cutting off federal financial aid to publicly supported colleges and universities which discriminate on grounds of race, religion or national origin.

"The Supreme Court has held that the federal government is prohibited by the Constitution from maintaining racially segregated educational institutions," the report said. "It is not sound policy for the federal government to subsidize the unconstitutional operations of others; to do indirectly what it is not permitted

Rebels Deal Blow to Laos Patriots

By ROY ESSOYAN

VIENTIANE, Laos (AP)—Rebel capture of the key staging base of Ta Vieng dealt a major blow over the weekend to government plans to attack Communist forces to the north.

Soldiers and civilians began digging trenches in Vientiane and Luang Prabang as the new Red offensive posed a threat to both cities.

Premier Boum Oum struck back with the four T6 training planes received from the United States making rocket and machinegun attacks on the pro-Communist forces who drove 1,000 to 1,500 government troops from Ta Vieng Friday. The squadron reported destroying a rebel truck but heavy

to do directly."

Five of the six members of the commission joined in recommending federal fund cutoffs by congressional or executive action. Commissioner Doyle E. Carlton, a former governor of Florida, dissented.

"The withholding of such funds is to me unsound from a political, governmental and moral standpoint," Carlton said. "I cannot approve the withholding of money, coming as it does to the federal government from the taxpayers of the several states, as a club to forge any fixed pattern set forth by a federal agency. Such action would impede rather than advance public higher education."

Much of the report dealt with what it called "the resistant states" in the South.

It labeled Alabama, Georgia, Mississippi and S. Carolina the hard core states of segregation.

The Library of Congress and its annex cover more than 36 acres of floor space.

Warriors in Congo Attack a Hospital

LEOPOLDVILLE, the Congo (AP)—Baluba warriors attacked a hospital at Luena and severely wounded a Belgian doctor, the United Nations reported today.

The U.N. command said Congolese also opened fire on Moroccan soldiers of the United Nations stationed in the same Katanga town. The Moroccans returned fire but no casualties were reported. Both attacks took place Sunday.

White refugees fleeing from race violence waged by the Lumumbists in Kivu Province have been pouring into a refuge set up by the United Nations at Goma.

The U.N. command today was trying to obtain the release of six American missionaries and their families who were arrested while trying to get out of Kivu.

White refugees said the missionaries, their wives and 17 children—29 persons in all—were seized by Congolese troops while trying to cross the Ruzizi River into the Belgian trust territory of Rwanda-Urundi Saturday.

The Americans reportedly were stopped at the frontier bridge leading to the Rwanda town of Shangugu, put in Congolese army trucks, and driven to Bukavu, the provincial capital controlled by followers of deposed Premier Patrice Lumumba.

The missionaries apparently are members of the Berean Mission, an interdenominational group with headquarters in St. Louis. Mrs. C. Reuben Lindquist, wife of the Berean president, said in St. Louis the group has 13 adults and 16 children, in the Congo or Rwanda-Urundi.

In Wheaton, Ill., an official of the Conservative Baptist Foreign Missions Board said a member of his group, Dr. R. H. Bothwell, had arranged for the Berean missionaries to leave Kivu. The only families known to have been in the party, he said, were the Rev. and Mrs. Paul Hurlburt of Wheaton, Ill., and the Rev. and Mrs. Kenneth Handyside of Webster, N.Y. Others known to be in Kivu, he said, are Dr. Bothwell, the Rev. and Mrs. James Kruefner, who have no permanent U.S. address; the Rev. and Mrs. E. J. Kile of Grenada, Mann.; the Rev. and Mrs. William Battishill of Warren, Mich.; and Ruth Ullinger of Montone, Calif.

Congolese troops refused to recognize the group's passes, other refugees said.

In north Katanga Province Swedish U.N. guards fought off Baluba tribesmen attacking a train near the town of Bukama Sunday. Three Swedes were wounded and several tribesmen were reported killed.

A U.N. spokesman said 120 Swedish soldiers aboard the train were moving from Elisabethville, capital of Katanga, to Kamina, in Kasai Province, to relieve U.N. Moroccan troops on another train that was attacked by the Balubas last week.

The relief train finally reached the Moroccans, the U.N. spokesman said, and the Swedes provided covering fire as the Moroccans switched trains.

picked as Kennedy's secretary of the Treasurer, gave a less optimistic view last Wednesday to the Senate Finance Committee.

Dillon, a Republican, said everything he has been told indicates there will be a deficit in fiscal 1962.

The Kennedy economic team, headed by Dr. Paul A. Samuelson of Massachusetts Institute of Technology, recalled how in its report on Jan. 5 how widely Eisenhower missed his estimate on the fiscal 1959 budget.

"Due largely to the impact of a recession that everyone but the authorities admitted was taking place," said the Samuelson report, "the announcement in early 1958 of a small fiscal 1959 surplus was actually followed by a final fiscal 1959 deficit of more than \$12 billion."

A year ago, when the fiscal 1961 budget message was issued, it called for a \$4.2 billion surplus. That has almost entirely vanished because of sluggish business, particularly the slump in corporation profits.

Monticello charged that his colleague, Rep. Oren Harris of El Dorado, had readily planned the Mays proposal in an effort to carve himself out a congressional district. Harris denied this.

Under the Mays plan, Norrell will have to run against Harris in the 1962 election because they both will be in the southern district. Also, Rep. Dale Afford of Little Rock will have to run against Rep. Wilbur Mills of Kennett because they are in the north-central district (2). Afford has urged the Legislature to delay action on the bill.

Norrell cried foul because two of his biggest counties—Arkansas and Jefferson—were not placed in

DOROTHY DIX

Competition in Love Confuses Girl

By HELEN WORDEN ERSKINE

Dear Helen:

I am desperate. From high school through college I went steadily with one boy. We planned to marry after he finished two years service in the Army.

Christmas Eve I long-distanced him. A buddy answered; my boy friend was out. Was I Virginia? No, I wasn't. That really got me down. I started dating another boy. He wants me to marry him. Now my first boy friend is back and also wants to marry me. The second one has bought the diamond and I'm under a doctor's care.

I'm quite sure both boys love me in their own way; the first selfishly, the second possessively. My twin sister thinks I should marry the first one; my father's choice is the second. Mother thinks the second would make the better husband.

I've prayed so much to not hurt anyone but myself. My doctor has helped me but I'm still afraid to make a life-time decision.

I've never begged anyone's help before but I'm begging you for a reply to this letter. —A—
 Dear A.: I doubt if you have either boy. If you did, there would be no question in your mind of which to choose. If the first boy cooled once, he will do so again. Competition is acting as a shot in the arm for both contestants. Stop being so serious. Love lightly until the right boy comes along. When he does, you'll need no advice.

A man who signed himself his district.

Another controversial proposal failed to come before the Legislature in its first week. This is a proposed \$3 million bond issue for educational construction.

Its sponsors plan to introduce a bill levying a one-cent tax on soft drinks. Legislators were generally cool to the tax proposal and minor amendments around the capital that the tax phase of the measure might be shifted to cigarettes.

A House economy plan last week set sights on reduction of the state income tax and Gas and Rep. Eugene (Bud) Canale introduced a bill providing for a 10-cent reduction in rates. Other amendments a bill to give the taxpayer a state deduction for federal income tax paid.

Unitas was voted the player of the game for the second straight

year.

Coach Vince Lombardi of the West and Buck Shaw of the East agreed: The difference in the finely-balanced squads was Unitas' running.

Unitas carried the ball five times for a 10.80 yard average. Each time the runs pulled the West out of a hole and one a 25-yard sprint in the fourth quarter - set up a touchdown.

The Baltimore bombardier was deadly in the air. One loss to teammate Lenny Moore took the West 66 yards to the one yard line from where Green Bay's Jim Taylor crashed over for the six points.

The touchdown was one of three Taylor picked up for a new Pro Bowl scoring record. Los Angeles' Jon Arnett scampered 20 yards for another West score and Unitas passed 44-yards to Moore for another touchdown.

But Van Brocklin's aerial bombs were on target, too. Van connected for three touchdowns passes to Tommy McDonald, Pete Retzlaff and Sonny Randle for 46, 43 and 36 yards in that order. The three Van Brocklin tosses tied a record set last year by Unitas.

Cleveland quarterback Milt Hain threw one 61 yards in the air into the waiting arms of Randall, perhaps the prettiest touchdown of the game.

Bobby Walston booted a 22 yard field goal for the East.

Chamberlain Held to Only 24 Points

By THE ASSOCIATED PRESS

Swede Holbrook has not been any offensive dynamo in his rookie year with the Syracuse Nats. But he seems to know his way around the National Basketball Association defensively.

The 7 foot 3 inch rookie from Oregon State used every bit of it Sunday in helping keep down Will's Chamberlain's 38 points per game average as the Nats beat the Philadelphia Warriors 116-113.

The loss was particularly distasteful for the Warriors for they dropped three games behind the Boston Celtics in the race for first place in the Eastern Division. Boston easily disposed of the last-place New York Knicks, 142-124.

Detroit dumped St. Louis, the Western Division leaders, 137-122 and Cincinnati pushed Los Angeles into the Western cellar with a 109-105 victory.

Holbrook held Chamberlain to 24 points and had a hand in a 12-0 streak that put the game out of reach at 83-66 in the third period. When the Warriors got to within 115-113 in the last few seconds, Dick Barnett caged a free throw to nail down the victory.

Bob Cousy and Tommy Heinsohn sparked a furious first half point spree, marked by a 40-point second period, and the Knicks never had a chance. Heinsohn and Bill Sharman were the big guns in a 22-8 spurt that brought Boston from a 20-13 deficit and put New York behind to stay.

Detroit fell behind early, 18-5, trailed 68-64 at halftime then spurred in the second half and St. Louis never caught up. Early in the fourth quarter Gene Shue hit three straight baskets and George Lee and Don Ohl one each that helped wrap things up.

Cincinnati had a hot third period in beating the Lakers. Jack Twyman provided the spark with 11 of his 31 points in the period and Oscar Robertson added much of the playmaking.

Los Angeles' Elgin Baylor led the scorers with 37 points, 25 in the first half, and his rookie teammate Jerry West had 27. Robertson also finished with 27.

Unitas Leads West to Pro Bowl Win

By JAMES BACON

LOS ANGELES (AP) — Baltimore's magnificent Johnny Unitas today was the conquering hero for the second straight year after passing and running the West to a 35-31 victory over the East in the 11th annual Pro Bowl.

A Memorial Coliseum crowd of 62,971, sweltering in summer-like weather Sunday, watched Unitas and Philadelphia's Norm Van Brocklin engaged in a savage quarterback duel in the traditional post-season game of National Football League All Stars.

Van Brocklin, who has announced his retirement, almost—but not quite—made his finale from a dozen years in the pro wars a glorious one. He passed for three touchdowns.

Unitas passed for only one score, but the lanky veteran directed four other touchdowns.

Bobcats Take Easy Victory Over Camden

By Vince Foster
Hope Star Sports Writer

Hope took two conference games from Camden Saturday night at Jones Field House as the Bobcats easily dropped the Panthers 65-44, and the Bobkittens stomped the Cubs 43-22.

The Cats jumped to a 19-8 lead in the first quarter, picked up 23 points in the second with the aid of both Bobcat squads, and led 42-16 at the half. A cold third narrowed the margin but not enough to stop them from taking their first district win. This win leaves them with a 1-2 district record and a 3-5 record in all games.

"Everybody hits" was the theme for the Cats as the whole squad of 11 took part in the scoring. Curtis Churchwell was high with 13, followed by Jeffery Powell with 12, Arnet and Calhoun sank 9 each, Robinson 8, Fry 4, Roberts 3, Porterfield, Murphy and Hatfield 2 each and Hooten 1. The Panthers high man was Larry James who had 27 of his team's 44 points.

The Kittens took their third consecutive conference win and their seventh out of nine possible wins in all games. The Kittens led 9-6 in the first quarter despite a slow start. They increased this lead to 20-14 at the half and 32-22 in the third period. In the final period the Kittens sank 10 while holding the Cubs to 0. This gives Wesley Huddleston's Kittens a nine game total of 381 points to 206 for opponents and a 19 point average margin per game.

Dan Jones was high with 13 giving a total of 129 points this year, followed by Burnett with 12 and McLarty with 11. Sprague 3, Marcum 2 and George Jones 1.

Palmer Is Back in Place at San Diego

SAN DIEGO, Calif. (AP)—The remarkable Arnold Palmer was back in his accustomed niche in golf today, meaning the top.

Fully recovered from the shock of an unbelievable experience in the rich Los Angeles open on a date he'll never forget—Jan. 6—Palmer headed for the Big Crosby tournament with the winner's paycheck in his pocket from the \$20,000 San Diego Open Tournament.

Put aside momentarily at least was the recollection of the terrible 12 he took on one hole in Los Angeles and the score that didn't even qualify him for the final two rounds.

Palmer, the National Open and money-winning champion last year, agreed that the victory here Sunday took a lot of doing.

It took a 6-under-par 65 and a birdie 3 on the extra hole sudden death playoff to down plucky Al Bolding of Canada. It took an amazing 40-foot putt for an eagle and several other great shots to win the \$2,000 first money.

Balding collected \$1,900, plus the money when the tournament chairman Tom Lampher, "accidentally" made the check out for 68.

Genoa Central's Junior boys won 35 to 17. The Guernsey Senior girls took a 27 to 23 decision; and the Guernsey Senior boys were edged 47 to 43.

Ohio State Remains Unbeaten

By DON WEISS
Associated Press Sports Writer

There's a new Big O in college basketball these days — Ohio State's Buckeyes, who collectively are bent on dominating the game with ability, poise and consistency the way Oscar (Big O) Robertson did at Cincinnati the last three years.

Basketball hits the slack, mid-term exam period today with Ohio State's defending NCAA champions carrying a 12-0 season record, a nation-leading 17 game winning streak, a well-balanced attack led by All-America Jerry Lucas and clear cut ranking as the best team around.

Only Ohio State and unranked DePaul, now 11-0 with a 12-game winning streak, remain unbeaten among the major teams. Coach Ray Meyer's Demons, who passed a severe test by whipping previously unbeaten Louisville 78-70 Saturday, have a series of rugged road games coming up, starting Tuesday at Notre Dame. The Irish have a 22-game home court winning streak.

If Notre Dame can't manage it, DePaul has road dates against Indiana, Western Kentucky, Marquette, Providence and St. Bonaventure during the next month.

Ohio State, with Lucas' ailing knee apparently almost recovered, stays within a Big Ten conference scheduled the rest of the way—resuming Saturday against Minnesota. The Buckeyes, who got 30 points from Lucas in a 79-45 rout of Northwestern last Saturday, seem to be free of upset trouble until the middle of next month, when they have back-to-back road games at Iowa Feb. 18 and Indiana Feb. 20. Indiana was the only Big Ten team to beat Ohio State last year.

Iowa, ranked sixth nationally last week, is coming on—having won nine straight for an 11-1 season record. The Hawks have joined Bradley (12-1), St. Bonaventure (13-1) and beaten only by Ohio State, North Carolina (19-2), Duke (13-1), Kansas State (11-2), Louisville (13-1), Southern California (11-2), and Mississippi State (10-3) in the first tier of challengers to the Big O of the Big Ten.

Except for Bradley, Southern Cal and Duke, who take a two-week break during the exam period, each has a chance to improve its credentials during the next week.

Third-ranked St. Bonaventure, which rode Tom Stitt's 46 points to an 82-68 rout of Niagara last

Morely Jennings and Jimmy Haygood were the fiercest of rivals and the best of friends.

Jennings' Ouachita Tigers and Haygood's Henderson Reddies met each year on Thanksgiving in Arkadelphia annual football grudge game.

Then, when it was over, Jennings and Haygood would meet at midfield, shake hands, and go fishing.

Now they'll be side by side in the Arkansas Sports Hall of Fame. Haygood was inducted last year. Jennings is one of five sports greats who will enter the hall at the annual banquet in Little Rock Thursday night.

Taking the step with Jennings will be baseball pitcher Lon Wanneke, golfer Payl Runyan and coaches Hugo Bezdek and Earl F. Quigley. They'll bring the hall's membership to 16.

Haygood died in 1935 but Jennings is still active in athletics. Since 1941 he has been professor of health, physical education and recreation at Texas Tech in Lubbock, Tex.

Jennings was a tough coach and a good one too. In 14 years at Ouachita were equally successful and the players he coached included one Travis Jackson, who was to become a great New York Giant shortstop and preceded Jennings into the Arkansas Hall of Fame by one year.

Jennings' college playing days were divided between Albion (Ohio) and Mississippi State. He played professional baseball with Knoxville of the Appalachian League in the summer of 1912, then the late L. H. McAllister, acting president of Ouachita College, made him Tiger head coach in 1912.

During Jennings' tenure Ouachita lost only three games to Arkansas colleges. The opposition included the University of Arkansas, Mississippi, Mississippi State, Baylor and Texas A&M.

He played baseball for Knoxville, Hartford, Atlanta and Minneapolis in the summer but quit the diamond to concentrate on coaching in 1922.

3-Way Tie for Lead in SWC Race

By THE ASSOCIATED PRESS

The three-way tie for the Southwest Conference basketball lead will be broken tonight when Texas and Texas A&M tangle at Austin in the last long game before final exams.

Right now, the Longhorns and the Aggies are tied with the Texas Tech Red Raiders with 3-1 marks. Tonight's battle will put the winner in first, idle Tech second, and the loser in third spot.

Arkansas, Rice and Southern Methodist are now all huddled together with 2-2 loop marks followed by Texas Christian with a 1-3 record. Bringing up the rear are the Baylor Bears with four conference losses and not a single victory.

The Aggies last week trounced Arkansas 81-62 but were beaten 74-58 by Texas Tech. Texas won both of its games, snatching the Red Raiders' 63-55 and edging Baylor 59-58.

Southern Methodist downed Texas Christian 67-64 and beat Baylor 75-64 while Rice took the measure of Texas Christian 82-60 but was beaten by Arkansas 80-55.

Steve Strange with 279 points leads the league's top scorers, followed by Del Ray Moulins with 268 points and Carroll Broussard of A&M with 258.

Final exams will keep most of the teams busy this week. The only other game is a non-league affair Thursday night when the Aggies travel to Houston to meet the University of Houston.

Porkers Able to Win on Home Court

By THE ASSOCIATED PRESS

So far the hot night and the home court have been the Arkansas Razorbacks' chief weapons in the 1961 Southwest Conference race.

They ran their home winning streak to seven games Saturday night by tripping Rice 60-55. The Hogs hit 49 per cent of their field goals and Rice wasn't in it after the first few minutes of the second half.

Now all the Hogs have to do is find some combination for winning these out-of-town games. They've lost both SWC games in Texas and won both on their home court.

Coach Glen Rose has a mid-semester vacation to figure out how he can get back in the top echelons of the conference race. The Razorbacks don't play again until Jan. 26, when they meet Tulsa in Fayetteville.

The next conference game for the Razorbacks is Jan. 31 against Baylor in Waco.

Pat Foster led the Hogs Saturday night with 16 points, but the big scoring boost was provided by Ronnie Garner and Jerry Carlton, 13 each.

Boyer, a sophomore forward, wasn't in the starting lineup because Coach Glen Rose wanted to open with three guards in an attempt to pad the scoring punch. But the 6-6 lad from Fort Smith hit six of seven field goal attempts as a sub and proved highly important in Arkansas' big surge just after the half.

The Hogs scored 17 points to three in the first seven minutes of the second period, ending Rice hopes for a victory. Arkansas led 26-34 at halftime.

Steve Smith of Rice was the game's leading scorer with 21. Arkansas and Rice have 2-2 records, Texas, A&M and Tech lead the standings with 3-1 charts.

Suffers From Grippe

BONN, Germany (AP)—Defense Minister Joseph Strauss was reported sufficiently recovered from the gripe today to make a scheduled trip to the United States.

Strauss, 45, is to fly to New York Saturday.

Jennings also coached baseball at Baylor and had a 31-92 chart in 13 seasons.

A few years after Jennings came to Ouachita he married one of the school's cheerleaders—Bess Autry of Columbus, Ark. They have one son, Richard.

College Grid Play to Stay About Same

By WHITNEY MARTIN

MIAMI BEACH, Fla. (AP)—College football, as far as the spectator is concerned, will look just the same in 1961 as it did in 1960.

The rule makers of the National Collegiate Athletic Association labored for three days, and at the conclusion of their annual meeting Sunday announced a minor alteration in the always controversial substitution rule.

That, and a toothless condemnation of sideline coaching, were virtually the sole products of prolonged discussion of a myriad of suggestions.

"The proposal for unlimited substitution was overwhelmingly defeated," said General Robert R. Neyland of Tennessee, committee chairman, adding that the group had no disposition to return to the two platoon system.

The alteration in the "wild card" rule of the past season largely is for the benefit of coaches.

Last year a player could enter the game alone between downs as many times as desired without the entry being recorded against him. He was allowed only two recorded a period, however, meaning entering as part of a group.

"Under the rule as we have altered it the first player of a group coming on the field is considered a wild card, and the entry is not charged to him," Neyland said. "He must come on enough in advance of the others to make it obvious he is the wild card."

"A coach in doubt as to the eligibility of a player and who wants to send him in with a group can make him the first man on the field, and such an entry is not questioned."

The rules makers deplored sideline coaching and the calling of signals by substitutions, and rewrote the rule to clarify their opinion. The rule has no bite, however, the coaches being left on their honor.

Bo-Diddles in Victory Over Owen's Team

Saturday afternoon at Jones Field House, Gulf's League leading Bo-Diddles outscored Owen's potent Hot Rods 24 to 18 in a high scoring Little League affair.

Ronnie Ingram led the Gulf team with 13 points. Fredo Ellis had 7 and Monroe Purdue had 4 for the winners. Royston and Parris were big guns for Owens.

In another contest, Hope Auto's improving Dirt Dobbers had no easy time of it in downing Copeland's Cool Cats 16 to 11. With only two point lead at the half, the Dirt Dobbers had a big third quarter that Copeland's couldn't overcome. Bobo Ball was high for Hope Auto with 12 points. Lawrence and Westbrook had 2 each.

Dennis Ramsey and Jimmy Howell led the losers with 4 each while Huckabee had 2 and D. Turner 1.

Next Saturday, Hope Auto will take on Owens and Copeland's will play Gulf at 2 p.m.

Pender Has No Trouble Keeping Title

By BOB GREEN
Associated Press Sports Writer

BOSTON (AP)—Paul Pender went into seclusion after making (1) a successful defense of his version of the world middleweight title and (2) a national television challenge of Gene Fullmer, but his manager had some choice words to say.

"He'd cut Fullmer to pieces," said crusty old Johnny Buckley. "I'm positive Fullmer is afraid of him."

From the Fullmer camp in West Jordan, Utah, came a conflicting report.

Marv Jensen, Fullmer's manager, said his bruising slugger would be "more than happy to fight Pender any place he's not recognized as champion."

He is recognized in Massachusetts, New York and Europe. Fullmer owns the National Boxing Association version of the crown. He is scheduled to defend against Sugar Ray Robinson Feb. 25.

"I want the winner of the Fullmer-Robinson fight," Pender said just after disposing of game young Terry Downes in seven rounds Saturday night. "I want that one real bad. I want to clear up this mess about the title."

Fifteen stitches were required to repair the damage that Pender wrought on Downes' face. The fight was stopped with the 45-year-old Londoner bleeding profusely from a laceration deep over the bridge of the nose. That took 12 stitches and 3 more closed up an eye cut.

"Sharp, he was," Downes admitted before leaving for Balli more.

Pender was ahead on all cards. He used a picture left to reddish Terry's face as early as the first round, threw some surprising right hands and was in complete control of the fight except for the third round when Downes broke through the stalling left for a two-handed assault to the body.

Pender scored a knockdown with a right hand in the first round and in other rounds abandoned his usual cautious, defensive style to mix it up.
